The main artwork template consists of a large grid area for the calendar content. At the top, there is a dashed-line header imprint area. Two blue circles are positioned on the top edge of the grid, indicating optional hanging holes. On the left and right sides, there are two columns of monthly calendar grids for the year 2020. The left column includes January, February, March, April, May, and June. The right column includes July, August, September, October, November, and December. Each monthly grid shows the days of the week (S M T W T F S) and the dates. A ruler at the bottom of the page provides measurements in millimeters (0 to 300) and inches (0 to 12). Red lines at the bottom corners indicate where premium vinyl corners will be placed.
