At the top, there is a header imprint area defined by a dashed line, containing two blue circles for optional hanging holes. On the left and right sides, there are two columns of monthly calendar grids for the year 2020. The left column includes January, February, March, April, May, and June. The right column includes July, August, September, October, November, and December. Each calendar grid shows the days of the week (S M T W T F S) and the dates. At the bottom of the template, there is a ruler showing measurements in millimeters (0 to 300) and inches (0 to 12). Red lines at the bottom corners indicate where premium vinyl corners will be placed.
